

## DECLARATION OF PERFORMANCE

### No. 001/15- HIDROZOL

---

1. Unique identification code of the type of product:

**08-02-01**

2. Intended use or intended types of use of the construction product in accordance with the applicable harmonised technical specification as envisaged by the producer:

**HIDROZOL is a compound intended for the manufacturing of damp proofing compound for watertight protection of exterior and interior horizontal and vertical concrete and cement surfaces**

3. Name, registered trade name or registered trade mark and producer's address in accordance with Article 11(5):

**HIDROZOL ®**

**JUB d.o.o.  
 Dol pri Ljubljani 28  
 1262 Dol pri Ljubljani  
 Slovenia**

4. System or systems of evaluating and verifying stability of characteristics of the construction product as provided for by Annex V:

**ZAG Ljubljana, 1404, has carried out the initial type test within the framework of system 3 and issued the test report No. P 97/06-460-8 and No. P 96/06-410-16.**

5. For the declaration of characteristics concerning the construction product to which the harmonised standard applies:

**SIST EN 14891:2012**

Essential characteristics	Characteristic	Testing of characteristic according to the standard	Harmonised technical specifications
Resistance to positive water pressure	No water penetration	EN 14891:2006	SIST EN 14891:2012
Resistance to negative water pressure	No water penetration	OER, point 12.7	SIST EN 14891:2012

Adhesion to concrete	$\geq 0,8$ N/mm <sup>2</sup>	EN 24 624	SIST EN 14891:2012
Water vapour permeability	V1	SIST EN ISO 7783-2:1999 and SIST EN1062- 1:2004	SIST EN 14891:2012

Characteristics of the above mentioned product are in accordance with the stated characteristics. According to the Directive (EU) No. 305/2011, the producer referred to above shall be exclusively responsible for issuing this declaration of characteristics:

Dol pri Ljubljani, 26 March 2015
